DESIGNATED COMPANY REPRESENTATIVE

Each customer or company must designate a person within their group to represent the Substance Abuse Program. The responsibilities of the Designated Representative are as follows:

1. *To assure that anyone working on a "DRUG FREE" project meets eligibility requirements.*
2. *To receive all confidential information regarding a participant testing positive while employed by your company.*
3. *To establish secure measures to insure that confidential information cannot be obtained by any unauthorized person.*
4. *May not disclose any confidential information to any other party without specific written consent of participant*
5. *To remove any employee testing positive from a "DRUG FREE" job site*
