Re: Cleveland Medical Mart and Convention Center
Mobile Medical Corporation

Mr. Latsko,

I am writing to let you know how pleased we have been with the service provided by Mobile Medical Corporation's on-site medic Chaz Balasakis.

Chaz has been a great partner for Turner Construction Company, our safety Team and all of the tradesmen and tradeswomen he has served. Not only has he provided effective medical treatment and preventative training, he proactively and regularly gets out on the site so he is better prepared to provide medical service there when the need arises.

This week Chaz likely saved a life on our project when he treated a sick tradesman and insisted that he be taken to the hospital rather than drive himself home. This individual ended up having by-pass surgery that day.

Chaz has served us well for two years and professionally represented Mobile Medical Corporation each and every day.

Thank you for providing us with such an outstanding individual.

Very Truly Yours,

TURNER CONSTRUCTION COMPANY
